PEOPLE AND PLACES KAY'S HELPED

Kay won an Eagle Eye Award from Anheuser-Busch for creating a system for organizing employee files in the Beer, Packaging and Shipping Department at the Fort Collins, Colorado brewery.

Kay created systems for the City of Louisville's Public Works Department including a work order software program as well as accounts payable, human resources, vendors and more.

Kay created systems for Changes Salon & Day Spa in the Bay Area including computer software for product sales and inventory.

Kay created systems for Salon of Emery Bay in the Bay Area including product inventory, product display and cash register accounting.

Kay helped this couple stage their home prior to putting it up for sale in a declining market and it sold in just a few days and for top dollar.

WHAT KAY'S CLIENTS HAVE TO SAY
